SCULPT
SHAPE YOUR FUTURE

Who we are

Sculpt is a London based charity supporting young people aged 14-25 as they transition to adulthood.

We build skills, confidence and knowledge for young people in the following areas:

Employment Support
Supporting young people to secure employment, facilitating employer encounters, and delivering professional/personal skills training.

Leadership training and mentoring
Supporting young people to become strong and self-reliant individuals, preparing them to become the next generation of community and business leaders.

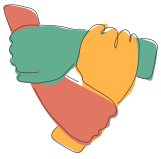
Youth Voice
Encouraging young people to find and use their voice, developing social action campaigns and making change in their local communities.

All of our programmes work to reduce inequality of access to opportunities, supporting young people to develop skills and gain the experience they need to feel positive about shaping their own futures.

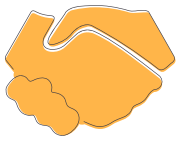
We need your help to continue this great work. By fundraising for us, you can help us raise the money we need to help more young people!

Why help us

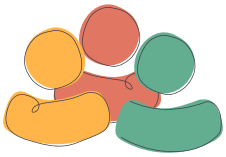
All our programmes are completely free of charge for young people. Therefore, we rely on people like you raising money to continue our vital work. The money you raise could help us:.



Run employment support workshops



Help young people with SEND to secure work experience placements



Run training to get more young people into community leadership positions

Build the life skills of disadvantaged young people

Deliver youth-led social action campaigns, putting young people at the heart of communities

Why it's important

Not only does fundraising help support our vital services but it also helps you to develop a range of skills and experiences. For example, fundraising with us will:

Build your confidence
Through volunteering, you have the opportunity to try new challenges!

Develop planning/organisation skills
Through fundraising, you learn how to set goals, define actions and track results.

Improve communication skills
Fundraising is often a team effort and volunteer activities typically require you to communicate what you are doing

Build your CV
Volunteering can boost your credibility and give you an edge when it comes to seeking a new job.

Things to Remember

Fundraising should be fun, but there are some important things to remember:

Keep safe
Keep school staff informed about your ideas, plans and progress. It's important to follow your school's rules and policies to make sure that everyone stays safe and has fun.

Anyone under 16 years old needs to have an adult with them when collecting money. Any money raised in unsealed containers must be counted and checked by school staff and should be stored securely until it can be sent to Sculpt.

It's great to take lots of photos of your fundraising event but remember to ask about media consent! (we can send you resources to use)

Promotion
Tell everyone about the great work that you are doing but don't forget to include our logo and charity number; legally you need to tell people exactly who you are raising money for.

Let us know what you are planning; we love to share events on our website and social media!

HAVE FUN!
Remember that any money that you raise, regardless of the amount, makes a huge difference to children and young people across London.

Paying in your donation

So you've worked really hard, organised a great event and now you're ready to send us your donations. You can pay in your donation in different ways:

Online
You can pay directly into our bank via our paypal on our website.

By Post
You can post any cheques, made payable to The IARS International Institute, to the following address: Unit K210, The Biscuit Factory, Bermondsey, SE16 4DG.

Drop it off
Drop off to our offices or we will come and collect.

Any questions?
Feel free to email: contact@sculptuk.org or call us on: **02071679411**.

Thank you so much for your help! We'd love to hear about what you're planning, whether you're using one of our ideas of doing something completely different!
